13) Government sanctioned the site for the Shrestha community so far back as 1919. After the necessary plans and estimates were obtained Government sanctioned a grant of Rs 8,000 (one-fourth of the estimate) in March 1929 (Government Order No D 92 4-5/Pdn 78-28-4 dated 7th March 1929) and also called for plans and estimates for Warden's quarters. Since then, though written to ^{repeatedly} and reminded the management have not replied definitely either about starting the construction of the main building or submission of plans and estimates for the Warden's quarters. Meantime, it was learnt informally that the community have secured by purchase, Mr Sarad-
Iyer's Bungalow on the Bull Temple Road ~~on~~

14) On 23rd May 1931 Mr Ramachandra Rao Scindhe has been written to for definite information as to whether the management will or will not avail itself of the concessions granted by Government. His reply is awaited. Meantime it is learnt informally that there is some difference of opinion among the leaders of the community on the matter of the hostel as to whether the building now purchased would do or a building on the site given by Government would also be necessary. Some of the leaders it is understood are of opinion that the concessions offered by Government should be availed of. An official or semi-official reference will be made to Government as soon as Mr Ramachandra Rao Scindhe's letter is received.

Sir Mirza M Ismail, Kt , C I E , O B E ,
Dewan of Mysore,
Bangalore

Sir,

A Free Boarding Hostel for the poor Lingayet students studying at Mysore, was started by my Guru, the late Bettadapur Mutt Swamiji, Sree Chikveera Desikendra-swami and its usefulness is appreciated by the Veerashaiva Community. It is now proposed to start a similar Institution at Bangalore. Mr Nanjundayya, retired Sub Assistant Surgeon residing at Bangalore has made a gift of - - Rs 10,000/- for this purpose. I am arranging to collect further necessary funds to start the Hostel at Bangalore on the same scale as at Mysore from next July.

I am advised by the leading Veerashaiva gentlemen to locate this Hostel in a place which is healthy and - - congenial to the education of the young and I understand that the site in the High Ground granted to the Mahrattas between the existing Veerashaiva and Vaisya Hostels is - - available, the Mahrattas having purchased a suitable building for their Hostel in the Shankarpur extension. The site is eminently suited for the Hostel undertaken by me. The Jayadeva Hostel is not a free institution, it is for the well-to-do Veerashaivas. The one I am going to start will be a free one. These two Hostels being side by side will bring together the rich and the poor to associate with and understand each other. I am prepared to put up a structure in accordance with the plan which may be prepared at the instance of the Government and approved by them, to accom-

modate

accommodate 50 students I am also prepared to abide by such conditions as the Government may prescribe as regards time within which the building should be completed

I am keenly interested in the educational advancement of the members of the Veerashaiva Community which is one of the obligatory duties of my religious Order and I am intending to devote my energies to the achievement of this object It is my ambition to see that this institution and the one at Mysore are given financial support

I hope that the Government will be pleased to - - encourage me in my undertaking by granting this site which from all considerations is suited for the purpose of a Hostel
